

Bharat Enterprises

with pipes, we connect the world...

About us

BHARAT ENTERPRISES established in 1973 by BHARAT DOSHI, is engaged in importing, stocking and supplying of carbon steel, alloy steel and stainless steel pipes and tubes. We also offer these products in customized options, as per our clients' specifications & requirements. Our name is known for their finest quality, durability, and efficiency. These are used in various industries which include petrochemical, energy, engineering and construction. With these products, we have earned a huge clientele based all over the earth.

We have the ability to execute bulk orders. We also give equal importance to the smallest requirements as well. We understand the varied technical needs of our clients and develop our sourcing of products accordingly. We possess a well equipped warehouse which is fully supported by outsourced transportation facility.

The Team

Under the leadership of Mr. Bharat T. Doshi; with the support of their sons Mr. Vaibhav and Malay and their dedicated professional team both constitute for our progress and overall developments. Our team comprises of highly qualified experts who have vast experience in their respective fields. They have profound knowledge of pipes and tubes that enable us to source best products.

Mission

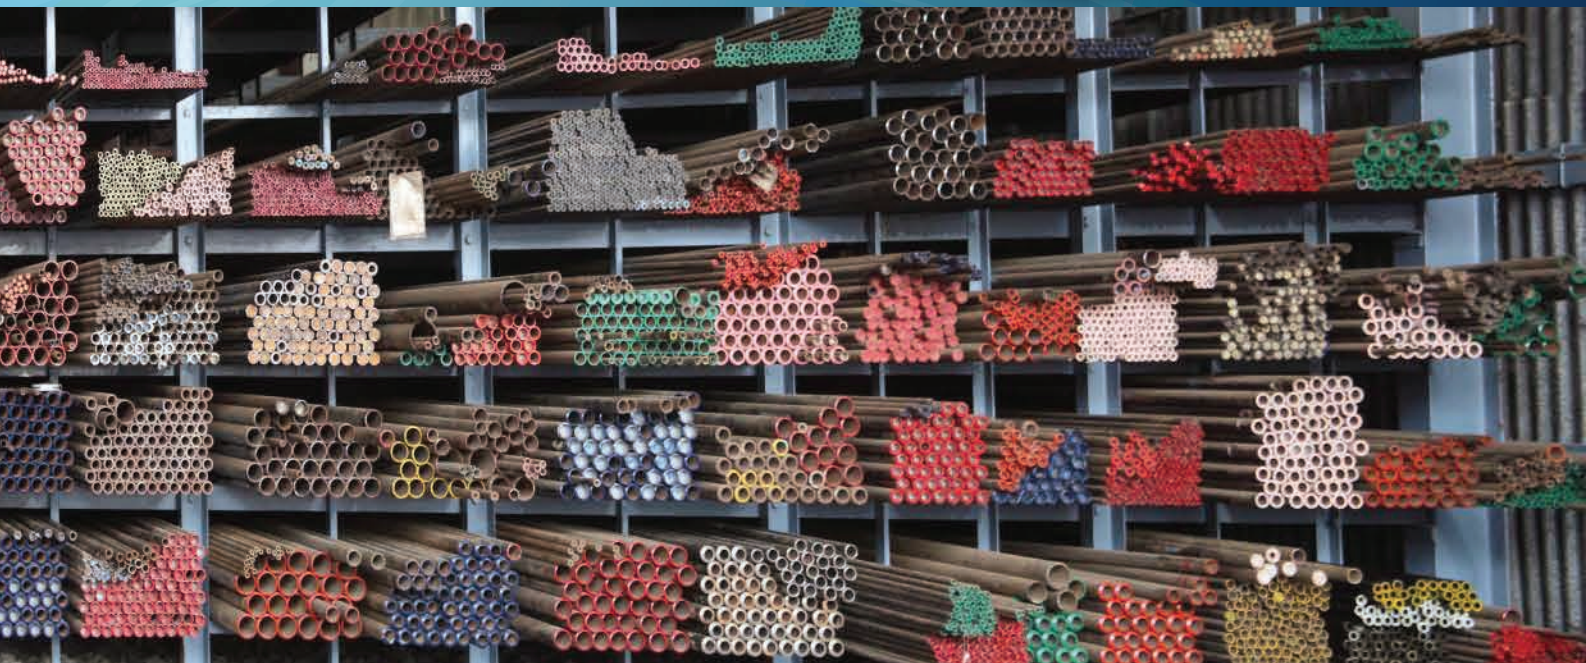

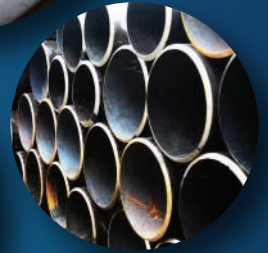

Bharat Enterprises is committed to become a leading provider of high quality Seamless & welded steel pipes and tubes across all segments, meeting and exceeding customer expectations through continual improvement of its products & services.

Our Corporate Philosophy

To supply quality products at best competitive price and achieve total customer satisfaction. Keep up to date with customer requirements and explore diversifying markets. Continual improvement in development and technology for better products and services. Constant monitoring of our strengths and weaknesses.

Warehouse

We understand the significance of a good warehouse. Our huge warehouse is situated in the vicinity of India's biggest steel market at KALAMBOLI-NAVIMUMBAI and designed specifically to ensure proper and systematic storage of our products. This ensures fast access of products and assists in timely delivery. We ensure an agreeable environment to securely store our products. This safeguards our pipes and tubes from adverse effects of climatic changes, such as corrosion. More over our warehouse is well facilitated with all the necessary requirements to handle all sorts of emergency.

EXPERIENCED AND RELIABLE

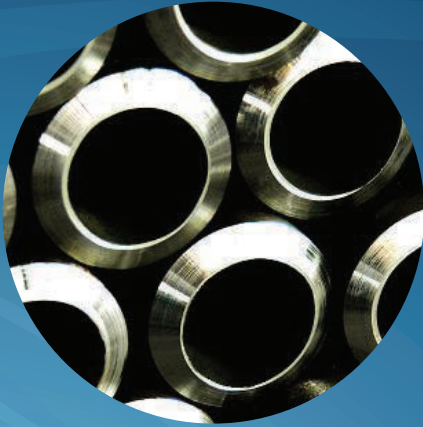

Our products are known to be synonymous to high quality and reliability and these are Industries we cater.....

- Petrochemical plants
- Petroleum and Fertilizer Companies
- Thermal Power plants
- Oil & Gas Refineries
- On and Off Shore Platforms
- Metal & Minerals
- Automotive

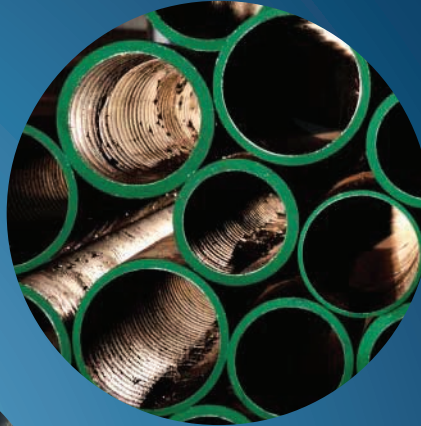

PRODUCT RANGE	SPECIFICATIONS
CARBON STEEL PIPES [For High Pressure Service]	ASTM A 106 GR.A ,B, & C API 5L Gr. A/B., X42 , X52 , X60, X65, X70 ASTM A 53 Gr A/B.,
CARBON STEEL BOILER TUBES [For High Pressure Service]	ASTM A -192BS 3059 Gr.360 / 440 ASTM A210 Gr A1, DIN 17175
ALLOY STEEL PIPES [For High Pressure Service]	ASTM A-335 Gr. P1/ P5/ P9 / P11/ P12 / P22 / P91
ALLOY STEEL TUBES	SA 213 Gr. T5/T9/T11/T12/T22/T91
LOW TEMP. SERVICE PIPE	ASTM A – 333 Gr. 1/6
LOW-CARBON HEAT-EXCHANGER AND CONDENSER TUBES	ASTM A-179 /A 334 Gr.1
STAINLESS STEEL SEAMLESS PIPE'S	ASTM A 312 TP 304 ,304 L ,304H ,310 ,316 ,316L, 321, 321H,347
STAINLESS STEEL ERW/EFW PIPE'S	ASTM A 312 TP 304 ,304 L ,304H ,310 ,316 ,316L, 321, 321H,347
E.R.W. PIPES	IS-1239[BLACK & GALVANISED], IS-3589 Gr 330 /410 , ASTM A 53 Gr A/B, API 5L Gr A/B
S.A.W. PIPES	IS –3589 Gr.330/410, API 5L Gr. A/B., X42, X52, X60,X70 ASTM A 53 Gr A/B.,
E.F.W. PIPE [FOR HIGH PRESSURE IN MORDERN TEMPERATURES] [FOR HIGH TEMPERATURES PRESSURE & SERVICE]	ASTM A 672 ASTM A 691
SIZE RANGE	
CS SMLS PIPE	½" NB To 24" NB & Sch 10 To Sch XXS
CS SMLS TUBES	6mm OD To 220 OD & WALL THK 16 SWG To 50.8mm
E.R.W. & S.A.W.PIPE	½" NB To 52" NB & WALLTHK 1mm TO 25mm

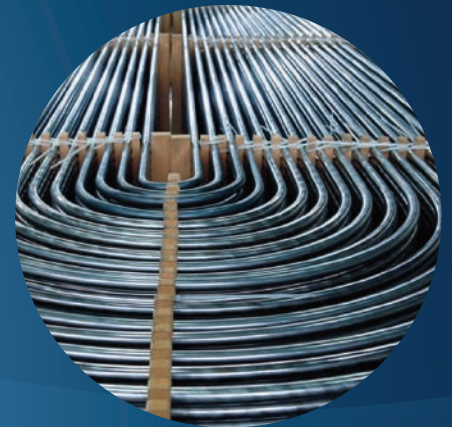

Alloy Steel Pipes

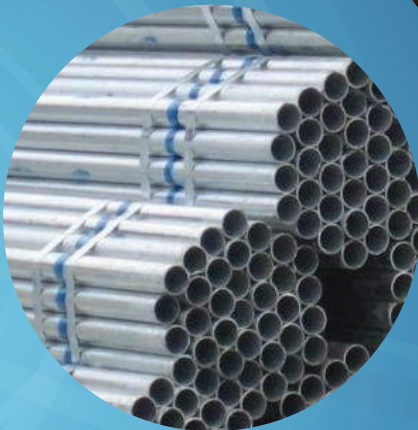

Carbon Steel Pipes

Low Carbon Heat Exchanger Tubes

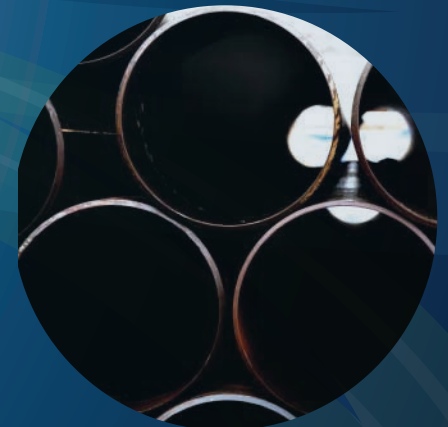

ERW Pipes

EFW Pipes

SAW Pipes

The products offered by us include Carbon Steel Pipes, Boiler Tubes, Alloy Steel Seamless Tubes, S.A.W. Pipes, Low Carbon Heat-Exchanger Tubes, E. R. W. Pipes, E. F. W. Pipes and many other types of pipes and fittings. Our products are specially imported to fulfill the varied requirements of our clients.

Quality Compliance

Being a customer oriented company; we procure only best quality products. We acquire these products from established vendors, who quality test the products in their premises. Moreover, we inspect and certify every product which is sourced and supplied. We have also collaborated with Government approved laboratories to conduct various tests, which conform to international standards and are specifically performed according to client's request :

- Dye Penetrant testing
- Radiographic examination on welded pipes.
- Chemical analysis
- Destructive Mechanical Testing
- Ultrasonic Testing - Magnetic Particle inspection
- Leakage Test
- PMI Test
- Hydraulic testing

We have our own hydro testing facility at our Kalamboli warehouse and we can carry out hydro testing from size 1/2" NB to 24" NB and in Length from 3 Mtr To 12.5 Mtr and Test Pressure up to 5000 PSI. This is the in-house facility available only with us in India. Pipes are also being inspected by reputed third party inspection agency vis , Lloyds, EIL, BV, TUV- NORD, ABS, CEIL,LRS, TUV-SUD, DNV, SGS, VELOSI, etc... before dispatch.

Our Sources

We have a strong sourcing and distribution network spread in different states of India to acquire a range of quality products. Our products are manufactured by some of the leading companies in the global market.

We have a wide client base in the domestic as well as international markets. We strive to achieve maximum satisfaction of our clients. To ensure this we offer world class products at most competent rates. We deliver our products within a stipulated time frame
