Shrenik Davda, Managing Director, Meghraj Capital, Kenya

Nairobi, Kenya, 24 February 2020

Meghraj Group is delighted to welcome **Mr. Shrenik Davda** as the Managing Director of Meghraj Capital, Kenya.

Shrenik has nearly 40 years of investment and commercial banking experience in the Central Eastern Europe Middle East Africa ("CEEMEA") region, helping to build market-leading investment banking franchises for prominent global institutions such as JPMorgan and Deutsche Bank. He has also established and/or run several niche emerging markets focused investment banking advisory firms, and notably co-founded New Europe Capital Partners Ltd, a regulated firm, which was acquired by Deutsche Bank. He started his career with Gulf International Bank in Bahrain and received his formal credit training at Citibank. Shrenik has advised on M&A and debt / equity capital raising mandates for emerging market clients in the financial institutions, natural resources, healthcare and FMCG sectors as well as for sovereigns and quasi sovereigns. Shrenik was born in Nairobi and schooled in Dar-es-Salaam. He read Law at the London School of Economics and holds an MBA from INSEAD.
