## MEGHRAJ CAPITAL OPEN NEW USA OFFICE

**Jeffrey Goodman**  
**Managing Director, USA**

Meghraj Capital has expanded its Investment Banking business into the USA with the opening of an office in Atlanta. Jeff Goodman, Managing Director, who joins Meghraj to head up the new office said "The US is a natural expansion point for Meghraj Capital. The group has a solid track record of success with cross border transactions and is being considered a valuable resource for US companies looking to access our existing operational markets. Additionally, the new office provides unique opportunities for clients looking for access to the US markets. I am honoured to be leading the entry into the US on behalf of Meghraj Capital. It's a great firm, with a rich history and strong execution ability." In addition to serving Meghraj Capital's existing clients in North America, the new office will help to access financial and strategic capital from the USA.

Jeff has over 20 years of experience in corporate finance, private equity and cross border transactions. He was co-founder of a USA venture capital fund, operating between Atlanta and London, and advised on investments in the Middle East, particularly Abu Dhabi. He was Managing Director at Seaport Securities, New York working on M&A and capital raising and VP at UBS, Tennessee in wealth management. Jeff has a BA in Economics from the University of Tennessee, an MBA from Vanderbilt University and holds Series 7, 63 and 79 licenses from FINRA.
