

MEGHRAJ

Meghraj Capital
Welcomes a New Member to its
Advisory Panel

Dr. Arup Basu
Specialist Sectors: Packaging, Chemicals & FMCG

20 December 2021

Arup has about three decades of experience at multinational corporations (Tata Group, Accenture, Indian Aluminium Company and Huhtamaki). His roles included functional and general management C-suite leadership of quality assurance, R&D, innovation commercialisation, business development, strategy, M&A and operations. At Huhtamaki he was President – Flexible Packaging and a member of the Global Executive Team, prior to which he was the MD of their listed Indian subsidiary. Arup has taken leadership roles in Indian industry associations like CII and ICC. He has a PhD from UMIST, Manchester, a BEng. from Imperial College, London and an IB Diploma from the UWC Atlantic.
