

MEGHRAJ

Meghraj Capital
Invited to be a
Growth Capital Partner and Jury Member for
REMY-DIY
Healthcare Innovation Challenge, India

The banner features a dark blue background with a glowing smartphone on the left displaying a doctor's silhouette, connected to a stethoscope. On the right, the text reads: **REME-DIY** Innovation Grand Challenge, with sub-points: INCUBATION | ACCELERATION | GROWTH. Below this, it defines the challenge as Remote Monitoring, Evaluation, Diagnostics, Intervention, and Analytics in Healthcare, and states it is an extension of EMPI's Mission Innovative India. A 'Register Now' button is visible in the top right corner.

Supported by: NITI Aayog, Atal Innovation Mission, National Health Authority, Atal Incubation Centre - EMPI. Initiative of: Atal Incubation Centre - EMPI. Supported by AIM, NITI Aayog, Govt. of India.

India, 07 October 2020

Meghraj Capital, India, is pleased to be invited to be a growth capital partner and a jury member for REME-DIY, a newly launched healthcare innovation challenge. The challenge is open to entrepreneurs who seek financing through grants, venture capital and growth capital. The challenge has been launched by EMPI Business School in New Delhi and is backed by Niti Aayog, a policy think tank of the Government of India.

Further details can be found here: <https://aic-empi.org/healthcarechallenge/>
