

MEGHRAJ

MEGHRAJ CAPITAL OPENS NEW INFRASTRUCTURE CONSULTING OFFICE IN NAIROBI, KENYA

**Prabhakar Vanam, MBA
Associate Director, Kenya**

October 2017, saw the opening of the new Meghraj Infrastructure Consulting office in Kenya. Prabhakar Vanam, who has joined to head up IC in East Africa from Meghraj's Nairobi office, said 'The business is seeing substantial traction and we are already working on multiple projects in East Africa. Meghraj's strong credentials of being a technical service provider, as well as having substantial experience in financing and fund raising, is being well received by client and partners. Having both a presence on the ground in the area, together with highly skilled resource from our international operations is proving a valuable combination for our clients'.

Prabhakar has over 14 years of experience in urban development, transportation, public finance, healthcare and education sectors. International development, public financial management, revenue mobilisation, M&E, program management and business development. His Africa experience includes working in Kenya, Ethiopia, Tanzania, Rwanda, Somalia, Ghana and Zimbabwe designing and evaluating programmes and projects for government, donors and INGOs. He has earlier worked with IPE Global and ICF International.
