**Chandrashekar Iyer**, Managing Director, Meghraj Capital India, presents to participants at the IFLR India M&A Virtual Forum on 10 September 2020

**Mumbai, India, 10 September 2020**

Chandrashekar Iyer, Managing Director of Meghraj Capital India, was invited by the IFLR India M&A Forum to present on current trends and expectations for cross-border M&A to corporate members. The audience included approximately 150 professionals from corporate strategy, M&A and legal backgrounds in India. This year the event was held in a virtual format for the first time.

The event included various sessions by experts working on M&A transactions and included an overview of M&A activity in India, distressed M&A, cross-border M&A, the rise of the healthcare sector and lessons learnt from Covid-19.

Chandrashekar was a panel member during the session on cross-border M&A, and he presented on the status of deals over the last 2 years, the sectors witnessing greatest interest, and the drivers of M&A in the current context.

First published in 1982, IFLR is the industry's source on corporate finance trends and strategies, with informed viewpoints from our network of global editors, journalists and contributors from leading law firms and corporate counsel. IFLR India M&A Forum is an annual event conducted in Mumbai.
