The standalone financial results for the quarter and year ended 31st March, 2019 have been prepared on the basis of the reviewed quarterly nine month financial results upto 31st December, 2018, the audited annual standalone financial statements as at and for the year ended 31st March, 2019 and the relevant requirements of the Regulation and the Circular, which are the responsibility of the Company's management and have been approved by the Board of Directors of the Company. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement(s). An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.

Special attention is drawn on the scheme of arrangement for the Merger of Network Insurance broking Pvt Ltd, Network Wealth solutions Ltd, Monarch Network Comtrade Ltd (the Subsidiary companies) and Network Softech Ltd (associate company) with the company Monarch Network Capital Ltd, wherein the Hon'ble National Company Law Tribunal, Mumbai (NCLT) has passed an order to approve the said merger on May 9, 2019. However the certified copy of the order sanctioning the scheme is awaited. Giving the effect of the said merger, the standalone results have been prepared, after giving effect of the said merger with Appoint Date of April 01, 2017, as per scheme. Since the order of NCLT was received on last moment, the financial statements and other financial information of the merged companies have been audited by their earlier existing auditors, whose reports have been furnished to us and we have verified only the merger implication on the financial results. Our opinion on the quarterly and year to date financial results, to the extent they have been derived from such financial statements is based solely on the report of such other auditors.
